Can you believe it's February already! Hope you are all well settled into your weekly routines...

Last Saturday, the school hall was transformed into a dance floor with colourful lights framing the walls and the country music together with a handful of proudly -worn cowboy hats setting the scene for Line Dancing. The tables were heaving with home-made and mouth-watering dishes; the flavoursome, fried chicken completing the American theme. Among other delicacies were the crunchy spring rolls, the surprisingly pink herring salad and the selection of scrumptious cakes. Yum! Those who came to support this event clearly didn't do it out of duty, for the dance floor was always full and even those manning the tables were having a great time letting the rhythm take them. It was a great evening! We are so grateful to the line dancers, who shared so generously their passion and skills. A massive thanks to everyone who helped to make this event so great: those who carried the heavy tables and those who prepared the feast, those who put up the lights and to the childminders, who helped us steal a moment for ourselves.

Perhaps because it was a smaller event, it became quite clear just how much parents need to relax and recharge. Away from the hustle and bustle of family life, pressures of work, budgeting...the constant roller coaster. Keep a watchful eye, as we are planning grown-up events too, as an act of recognition of your hard work as well as appreciation of your support of Sacred Heart School.
