30th Falcon Road Festival, 12-6pm

July

3rd Happy School Bag – collection of unwanted
clothes, shoes, books

6th Family Fun Friday including children's table top
sale

Did you know that June the 1st has been established as Say Something Nice Day since 2006? Well, here in Sacred Heart we show kindness and good manners to each other all the time.

We have just had 2 weeks of **Teacher Appreciation** event, where children and parents wrote 'Thank You' messages to Teachers, Management and Staff. A huge thank you to all the parents and children who expressed their gratitude. It was a joy to see more and more notes being added to the box each day. All the notes were sorted and delivered to the teachers on Friday before half term and they put smiles on their faces.

This week we would like to extend the appreciation to all the **Teaching Assistants** and **everyone else who helps** and who is **involved in the smooth running of our school**, such as the Office staff, the SENCO team, the Caretaker and the Gardeners, the lunchtime staff, the cooks and cleaners, the volunteers and even the bus driver, and of course Fr Gerry and Deacon Michael. If you can think of anyone else, please do include them. Let's make sure we remember all people and jobs, no matter how small and how seemingly insignificant. Together they all make a big difference! Thank you!

Great News!

The SH school uniform can now be purchased from the Fulham branch of School Uniform Direct. The shop is open every day, except for Friday. Thanks to everyone who supported the petition! We did it!

Recycle for £££'s

Please look out for the **Happy School Bag** in your child's bag and fill it with unwanted listed items. We will receive £0.65 per kilo. The collection is booked for Tuesday, July 3rd. You will be able to bring your filled bags to school from Friday, June 29th.

Feedback on the Headteachers Forum – At the last PTA meeting parents took the opportunity to bring any questions or issues up with Mr Brading and to share their views away from the formal school setting. What we have all experienced was a calm and constructive discussion around the topics of party bags / healthier, sensible choices; school budget and the support staff, to mention but a few. The feedback from parents was very positive, they liked being listened to and having the opportunity to put their point across. Mr Brading listened carefully and explained in length, when necessary, how our school operates. It was a really interesting meeting and we hope to continue it in the future.

Falcon Road Festival – June 30th- this year we are supporting the festival as doing our bit to support the local community. We will be selling refreshments. If you can spare 20 min between 12-4pm, please let your Class Rep know. Your help will be very much appreciated.

Please download <http://www.easyfundraising.org.uk/causes/sacredheartpsbattersea> and www.thegivingmachine.co.uk/causes/pta-of-sacred-heart-primary-battersea/ and watch the pennies roll in.
