NEWSLETTER (SEP/OCT 2021)

WHO IS YOUR CLASS REP?

Dear Parents,

As part of supporting our children's learning, we are updating our class WhatsApp group. This network has been on going for a couple of years and it has helped us parents with information of events and activities within their class, as well as the school community, as a whole.

Our aim is to continue supporting one another and keep ourselves always informed. So, we urge you to join this group where you can share and obtain essential information pertaining to your child's schooling and learning.

Whilst this will be an excellent way of supporting our children, this is also not compulsory, and you can opt out should you wish to.

From next week you will see our class parent representative's Name, Child's parent name, and (his/her) mobile number in your class door.

Please save (Name of class representative) number so you can be added in the class WhatsApp group.

Please be reminded that your number will not be shared with anyone and all information shared within the group will not be disclosed to anyone.

FUN BOX :

We would like to create a box for each class full of toys for children to play with. The boxes will include: skipping ropes, elastics ropes, uno and dobble cards, and some small rubber balls. Each class will have a pupil in charge of tidying up the fun box each day, thus giving children a sense of responsibility, as well as lots of fun!

For the safety of the children please do not park on the yellow zigzag lines outside school.
Please be extra cautious when driving in the area around school.
